Introduction

About this policy

Your Contract Works Annual Period policy consists of:

1. this policy document, and
2. the **schedule**, and
3. any endorsements or warranties that **we** apply, and
4. the information **you** have provided in the application.

Your duty of disclosure

When **you** apply for insurance, **you** have a legal duty of disclosure. This means **you** must tell **us** everything **you** know (or could be reasonably expected to know) that a prudent insurer would want to take into account in deciding:

1. to accept or decline the insurance, or
2. the cost or terms of the insurance, including the excess.

If the insured or anyone acting on the **insured's** behalf breaches this duty, **we** may treat this policy as being of no effect and to have never existed. Please ask **us** if you are not sure whether you need to tell **us** about something.

Examples

We have used examples and comments to make the parts of this policy document easier to understand. These examples and comments, which appear in *italics*, do not affect or limit the meaning of the section they refer to.

Headings

The headings in this policy document are for reference only and do not form part of it. They must not be used when interpreting the policy document.

Defined words

If a word is shown in **bold**, it has a special meaning. There is a list of these words and what they mean in the section 'Definitions'.

1. Insurance agreement

1.1 Our agreement

The **insured** agrees to pay **us** the premium and comply with this policy. In exchange, **we** agree to provide cover to the **insured** as set out in this policy.

2. What this policy covers

2.1 Loss during the construction period

We will cover the **insured** for **accidental loss** to **insured property**, occurring at the **insured's contract site** during the **construction period** for all building **contracts** of the type shown in the **schedule** in New Zealand where:

- (a) the **contract** value plus the principal supplied materials is less than the maximum contract value shown in the **schedule**, and
- (b) the **construction period** is no greater than the maximum construction period stated in the **schedule**.

2.2 Loss during the maintenance period

We will cover the **insured** during the **maintenance period** for its legal liability to rectify **accidental loss** to **insured property** under the Maintenance or Defects Liability Conditions of the **contract**, provided the **loss**:

- (a) is discovered during the **maintenance period**, and
- (b) arises out of the **contract works** during the **construction period**, or
- (c) is caused by the **insured** while the **insured** is executing work under the Maintenance or Defects Liability Conditions of the **contract**.

3. Automatic extensions

The following extensions are included automatically and are subject to the policy terms, unless otherwise stated. Some clauses have specified sub-limits and excesses and these will apply unless specifically stated otherwise in the **schedule**. All sub-limits are included in and are not in addition to the sum insured.

3.1 Additional items

Where there is a **loss** covered under 'What This Policy Covers' above, **we** will cover the **insured** for the reasonable costs incurred for each of the following items.

(a) Principal's Supplied Materials

Costs to replace materials and property supplied by the principal free of charge to the contractor for permanent incorporation into the **contract works**. Cover begins when the materials and property are delivered to the **contract site**.

The most **we** will pay under this extension is 10% of the **contract works** value unless otherwise stated in the **schedule**.

(b) Removal of Debris

Costs incurred to:

- (i) dismantle, demolish and remove the debris, and/or
- (ii) undamaged material, necessary to effect repairs and to secure further damage and prepare the **contract works** for rectification of the **loss**.

The most **we** will pay under this extension is 10% of the **contract works** value unless otherwise stated in the **schedule**.

(c) Professional Fees

Costs of architects, surveyors, consulting engineers, clerk of works, building and resource consent fees (excluding fines and/or penalties) and other fees incurred that are necessary to rectify the **loss** (but excluding any fees for the preparation of a claim or estimate of fees).

The most **we** will pay under this extension is 10% of the **contract works** value unless otherwise stated in the **schedule**.

(d) Increased Costs During Construction

Costs incurred for variations and fluctuations in the **contract price**, and/or increases in the costs of labour and materials during the **construction period**.

The most **we** will pay under this extension is 5% of the **contract works** value unless otherwise stated in the **schedule**.

(e) Escalation During Reconstruction

Costs of reconstruction of the **contract works** that exceed the initial cost, provided the reconstruction is completed without delay. Cover will also account for inflated costs of the unbuilt portion of the works.

The most **we** will pay under this extension is 5% of the **contract works** value unless otherwise stated in the **schedule**.

(f) Plans / Drawings and Site Documents

Costs incurred to replace **loss** of any Plans, Drawings and other related Site Documents relating to the **contract works**. The most **we** will pay under this extension is \$10,000.

3.2 Civil authority

3.3 Expediting expenses

We will cover the **insured** for the reasonable cost of express freight within New Zealand and overtime to expedite the repair or replacement of **insured property** following a **loss** otherwise covered under this policy.

The most **we** will pay under this extension is:

- (a) 30% of the claimed amount for ordinary labour, road carriage charges or ordinary costs, or
 - (b) the limit stated in the **schedule**,
- whichever is the lesser.

3.4 Overseas airfreight expenses

We will cover the **insured** for the reasonable cost of airfreight charges incurred in the repair and replacement of **insured property** following a **loss** otherwise covered under this policy.

The airfreight carriage must be provided by a recognised regular scheduled airline service and not provided by a chartered aircraft.

The most **we** will pay under this extension is:

(a) 20% of the value of the item being freighted, or

(b) the limit stated in the **schedule**,

whichever is the lesser.

3.5 Profit margin

If the **insured** carries out reinstatement work in connection with a claim under this policy, then, in the adjustment of that claim, **we** will allow a reasonable allowance for overhead plus a reasonable margin for profit, on the cost of the reinstatement work.

3.6 Protection expenses

We will cover the **insured** for the reasonable costs incurred in fighting or controlling a peril where such peril threatens to damage part or all of the **contract works** and where such **loss** would be covered by this policy.

The most **we** will pay under this extension is \$25,000 and an excess of \$1,000 or the excess specified in the **schedule** whichever is greater will apply.

3.7 Redundant foundations

We will cover the **insured** for undamaged foundations that are made redundant, by reason of the exercise of statutory power by local or national government where the **insured property** resting on them has been destroyed as a result of a **loss** covered by this policy.

Where the redundant and undamaged foundations are not demolished, and the presence of them increases the market value of the site to which they are fixed, the amount of the market value increase will be deducted from the amount payable for the claim.

For the purposes of this extension "undamaged" means not directly physically damaged by an **event** that would be covered by this policy.

(a) in storage at secure situations other than the **contract site**,

(b) in transit within New Zealand by road, rail, airfreight, inter-island ferry, or containerised shipping between New Zealand ports.

This extension will not cover any **loss** at all if it is insured to any extent under any other insurance policy, **we** will not contribute towards any claim under any other insurance policy.

4.2 Employees hand tools

- (b) the **loss** is directly caused by the performance of the **contract works**, unless the **insured** has elected to, and has been agreed by **us**, to have full cover for **existing structures**, and
- (c) There is no cover under this Optional Extension for:
 - (i) **loss** to floor and wall finishes or coverings of the **existing structures** unless specifically listed in the **schedule**, or
 - (ii) **loss** to contents of the **existing structures** unless specifically listed in the **schedule**, or

However, the work may be carried out upon an alternative site if reinstatement on the same **contract site** is not permitted by reason of any **regulations** imposed by local or national government.

Limitations on amount payable

Where an **existing structure** is damaged, **we** will not pay more than what would have been required to be paid for reinstatement had it been **destroyed**.

Where:

- (a) the **insured** does not replace the **existing structure**,
- (b) the **insured** does not commence and carry out the work of reinstatement within a reasonable period of time,
- (c) the **insured** does not incur the costs of reinstatement,
- (d) **regulations** do not permit the repair of the damage to an **existing structure** which is not a total loss,

- If **we** initiate a recovery **we** will include the **insured's** excess, and any other uninsured losses suffered by the **insured**. Where **we** do this, the **insured** agrees to pay its proportional share of the recovery costs, and subsequently the proceeds of the recovery will be shared on the same proportional basis, except that **we** will reimburse the **insured's** excess first.
- 7.11 Recoveries** If any property that **we** have paid a claim for is later found or recovered, the **insured** must tell **us** immediately and hand it over to **us** if **we** request it.
- We** have the right to keep any property that **we** have paid a claim for under this policy, including any proceeds if it is sold.
- 7.12 Reparation** If any person is ordered to make reparation to the **insured** for **loss** to any property that **we** have paid a claim under this policy for, then the **insured** must tell **us**. How we administer this policy

- 8.1 Assignment** The **insured** may not assign this policy or any interest under this policy without **our** prior written consent.
- 8.2 Cancellation** By the insured
- The **insured** may cancel this policy at any time by notifying **us**. If they do, **we** will refund any premium that is due to the **insured**. Upon cancellation, the premium will be determined by applying the rate referred to in the **schedule** plus 20% to the actual **turnover** based on the **period of insurance** ending at the cancellation date. The premium shall be compared with the provisional premium and the **insured** shall pay, or **we** will refund, the difference.
- We** will refund the proportion of unused premium paid in accordance with the 'Provisional Premium' and 'Premium Adjustment' conditions.
- Regardless of cancellation or non-renewal of this policy, cover shall continue for all **contracts** where cover under this policy has commenced prior to the date of cancellation or non-renewal until expiry of any **maintenance period**, provided that:

- (a) all such **contracts** where cover is to continue shall be declared to us at the time of cancellation or non-renewal, and
- (b) the **insured** shall pay any premium adjustments required and any additional statutory charges.

8.3 Change of terms

We may change the terms of this policy (including the excess) by giving the **insured**, or their broker, notice in writing or by electronic means, at the **insured's**, or their broker's, last known address. Unless otherwise specified in the notice the change in terms will take effect from 4pm on the 30th day after the date of the notice.

8.4 Currency

Any amounts shown in this policy or in the **schedule** are in New Zealand dollars, unless otherwise specified in the **schedule**.

8.5 GST

Where GST is recoverable by **us** under the Goods and Services Tax Act 1985:

- (a) all sums insured exclude GST, and
- (b) all sub limits exclude GST, and
- (c) all excesses include GST, and
- (d) GST will be added, where applicable, to claim payments.

8.6 Other insurance

The **insured** must notify **us** as soon as they know of any other insurance policy that covers **them** for any of the risks covered under this policy.

This policy does not cover the **insured's** liability or loss at all if it the liability or loss is insured to any extent under any other insurance policy. **We** will not contribute towards any claim under any other insurance policy.

8.7 Provisional Premium

The **insured** must pay a provisional premium at the start of this policy. The provisional premium is a deposit and must be calculated by applying the agreed rate referred to in the **schedule** to the estimated **turnover** of all **contracts** that will be insured under this policy. The provisional premium must be adjusted in accordance with the 'Premium Adjustment' condition below.

8.8 Premium Adjustment

Within 30-days of the end of the last **contract works** covered under this policy, the **insured** must declare to **us** the **turnover**.

If there is any other insurance policy that covers the **insured** for the risks covered under this policy and that policy has a higher excess, where this policy is covering the **insured** for the difference between the two excesses, the **insured** must include the full value of the applicable **contract works** turnover in the **turnover** figure used for this premium adjustment calculation.

The premium shall be determined by applying the agreed rate referred to in the **schedule** to the **turnover**. The premium shall be compared with the provisional premium and the **insured** shall pay, or **we** will refund, the difference. The most **we** will refund is 50% of the provisional premium.

Fire Service Levy Declaration – Domestic Contracts

Upon renewal of this policy, and with the declaration of your actual completed **turnover**, the **insured** must also declare the number of domestic **existing structures** covered under this optional cover during the **period of insurance**. This number shall be adjusted for the Fire Service levy at the rate specified under the relevant **regulations** for each dwelling and a pro rata applied for the maximum **contract period**, as per Fire Service Levy guidelines. This must be paid along with any other due premiums.

Fire Service Levy Declaration – Commercial Contracts

Upon renewal of this policy, and with the declaration of your actual completed **turnover**, you must also declare the total value of commercial **existing structures** covered under this optional cover during the **period of insurance**. This number shall be adjusted for Fire Service levy at the rate specified under the relevant **regulations** and a pro rata applied for the maximum **contract period**, as per Fire Service Levy guidelines. This must be paid along with any other due premiums.

8.9 Increase In Sum Insured

The maximum **contract** value stated in the **schedule** may be exceeded by up to 10% if during the **construction period** there is an increase in the costs of construction due to increased wages or materials.

If a single **contract** tendered for by **you** is expected to exceed the maximum contract value as shown in the **schedule**, special allowance to include the **contract** within the annual policy needs to be requested. At **our** discretion **we** may choose to vary the terms and conditions of the annual policy for this specific **contract**.

8.10 Separate insurance

Where the **insured** consists of more than one legal entity the word "insured" shall apply to each as if a separate policy had been issued to each. However, this does not increase the amount of cover available under this policy.

Laws and Acts that govern this policy

8.11 Disputes about this policy

The law of New Zealand applies to disputes about this policy and the New Zealand Courts have exclusive jurisdiction.

8.12 Legislation changes

Any reference to any Act of Parliament or subordinate rules referred to in this policy includes any amendments made or substitutions to that law.

8.13 Insurance Law Reform Acts

The exclusions and conditions in this policy are subject to the **insured's** rights under the Insurance Law Reform Act 1977 and Insurance Law Reform Act 1985.

Insured's obligations

8.14 Comply with the policy

The **insured** (and any other person or entity **we** cover) must comply with the conditions of this policy at all times.

If:

- (a) the **insured**, or
 - (b) any other person or entity covered under this policy, or
 - (c) anyone acting on the **insured's** behalf,
- breaches any of the terms and/or conditions of this policy, **we** may:

- (a) decline the claim either in whole or in part, and/or
- (b) declare either this policy or all insurance the **insured** has with **us** to be of no effect and to no longer exist.

8.15 True statements and answers

True statements and answers must be given, whether by the **insured** or any other person, when:

- (a) applying for this insurance, and/or
- (b) notifying **us** regarding any change in circumstances, and/or
- (c) making any claim under this policy, and communicating with **us** or providing any further information regarding the claim.

8.16 Reasonable care

The **insured** must take reasonable care at all times to avoid circumstances that could result in a claim. The **insured's** claim will not be covered if the **insured** is reckless or grossly irresponsible.

8.17 Change in circumstances

The **insured** must tell **us** immediately if there is a material:

- (a) increase in the risk insured, or
- (a) alteration of the risk insured.

Once the **insured** has told **us** of the change, **we** may then cancel the policy or alter the premium and/or the terms of this policy.

If the **insured** fails to notify **us** about a change in the risk insured, **we** may:

- (a) declare this policy unenforceable, and/or
- (b) decline any subsequent claim either in whole or in part.

These actions will be taken from the date the **insured** knew, or ought to have known, of the increase or alteration in the risk insured.

For avoidance of any doubt, information is 'material' where we would have made different decisions about either:

- (i) accepting your insurance, or
- (ii) setting the terms of your insurance,

if we had known that information. If in any doubt, notify us anyway.
