3. Notify the Police

You must immediately lay a complaint with the Police if **you** suspect a criminal act has occurred.

4. Provide Full Information

When **you** make a claim **you** consent to **your** personal information in connection with the claim being:

You must:

(d) provide any other information, proof of ownership or assistance that **we** may require at any time.

5. Be Truthful

If **your** claim is dishonest or fraudulent in any way, **we** may:

5.1 decline **your** claim either in whole or in part, or

5.2 declare this policy or all policies **you** have with **us** to be unenforceable from the date of the dishonest or fraudulent act.

This is at **our** sole discretion.

6. Do Not Dispose of Property

You must not dispose of any property or any part of damaged property involved in **your** claim until **we** have given **you** permission to do this.

7. Incurring Costs

All costs claimed for under this policy must be necessarily and reasonably incurred.

You are not authorised to start any repairs without **our** permission unless the repairs are necessary to prevent further **loss**.

You may proceed with repairs without prejudice to **our** liability under the policy provided that all the conditions of this policy are complied with.

B. MANAGING YOUR CLAIM

1. Subrogation

Once **we** have accepted any part of **your** claim under this policy, **we** may assume **your** legal right of recovery.

If **we** initiate a recovery, **we** will include **your** excess and any other uninsured losses suffered by **you**. GENERAL CONDITIONS

A. HOW WE ADMINISTER THIS POLICY

1. Cancellation and Modification

You may ask **us** to cancel or modify the policy at any time. **We** must agree in writing to any modification before it will take effect.

We will refund a proportion of unused premium paid, calculated from the date of cancellation, less any administration costs.

2. Other Insurance

You must notify **us** as soon as **you** know of any other insurance policy that covers **you** for any of the risks covered under this policy.

If **you** or anyone else who can claim under this policy can claim under any other insurance, **we** will only pay over and above the limit payable by the other insurances.

3. Interests of Other Parties

If **we** are advised of any party having a financial interest over **your** insured assets, **we** may pay part or all of any valid claim proceeds to that party to the extent of their interest. This will form part of **our** obligations to **you** under this policy.

You must consent to **us** transferring **your** relevant personal information to that party.

4. Separate Insurance

If more than one person or entity is named as 'Insured' in the **schedule**, then all the parties are insured separately (as though a separate policy had been issued to each person/entity). However, the maximum amount **we** will pay to all parties is the amount stated in each part of this policy.

5. GST

Where GST is recoverable by **us** under the Goods and Services Tax Act 1985:

5.1 all sums insured exclude GST, and

5.2 all sub limits exclude GST, and

5.3 all excesses include GST, and

5.4 GST will be added, where applicable, to claim payments.

6. Premium Adjustments

If the premium for this policy has been calculated based on an estimated figure, then the premium is only a provisional premium for the **period of insurance**.

Within three months of the expiry of the **period of insurance**, **you** must tell **us** what the actual figures were. **We** will re-calculate **your** actual premium based on the actual figures.

If **you** have not told **us** what the actual figures were within the three months, and at the time of the **insured damage** the sum insured is less than the actual figures for those items, then the amount **we** will pay will be reduced in the same proportion.

The difference between the actual and the provisional premiums will either be payable to **us** or refunded to **you** depending on the outcome of the adjustment, but any refund will be limited to a maximum of 50% of the provisional premium.

B. LAWS AND ACTS THAT GOVERN THIS POLICY

1. Acts of Parliament

Where this policy refers to any Act of Parliament, it also includes any subordinate legislation made under it, and any other subsequent Acts or Regulations.

2. Governing Law and Jurisdiction

The law of New Zealand applies to this policy and the New Zealand Courts have exclusive jurisdiction.

The exclusions and conditions in this policy are subject to **your** rights under the Insurance Law Reform Acts 1977 and 1985.

Erection All Risks / (DISMANTLING, TRANSIT AND TESTING) INSURANCE POLICY

C. YOUR OBLIGATIONS

1. Comply with the Policy

You (and any other person or entity **we** cover) must comply with the conditions of this policy at all times. If **you** fail to comply, **we** may not pay **your** claim.

2. Provide Accurate Information

You must make sure all statements and representations that are made to **us**, at any time, either by **you** or anyone else, are truthful and complete.

3. Reasonable Care

You must take reasonable care at all times to avoid circumstances that could result in a claim. **Your** claim will not be covered if **you** are reckless or grossly irresponsible.

4. Change in Circumstances

You must tell **us** immediately if there is a material:

- 4.1 increase in the risk insured, or
- 4.2 alteration of the risk insured.

Once **you** have told **us** of the change, **we** may then cancel or alter the premium and/or terms of this policy.

If **you** fail to notify **us** about a change in the risk insured, **we** may:

- (a) declare this policy unenforceable, or
- (b) decline any subsequent claim either in whole or in part.

These actions will be taken from the date **you** knew, or ought to have known, of the increase or alteration in the risk insured.

Information is 'material' where we would have made different decisions about either:

- (i) accepting your insurance, or
- (ii) setting the terms of your insurance,

if we had known that information. If in any doubt, notify us anyway.

5. Insure the Full Sum Insured

You must:

- 5.1 insure the **erection works** for its full value, inclusive of all items and materials for their new replacement value including freight, customs duties (excluding GST), wages, and sub-contractors' work.
- 5.2 declare in the application the value of principal's supplied materials which form part of the project that have not been included in the **erection works** price. The value declared for this item shall be new replacement value of all materials and items supplied.
- 5.3 declare in the application whether cover for the anticipated inflationary effect on the cost of the **erection works** during the **erection period** is required.

If the above is not complied with and any values or sums insured are understated, this policy is "Subject to Average". This means the amount **you** recover for a partial loss will reduce by the same percentage as the amount for which the property was insured bears to the full value of that property.

The Meaning of Subject to Average

- 1. **Your** insurance policy contains a provision making it "Subject to Average".
- 2. That provision will have effect only if the property insured under the policy is underinsured at the time of **loss**.
- 3. If the property insured under the policy is underinsured at the time of **loss**, the following rules apply:
 - (a) if **you** suffer a total loss, the provision will have no effect.
 - (b) if **you** suffer a partial loss, the maximum amount that **you** may recover will bear the same proportion to **your** actual loss as the amount for which the property is insured bears to the full value of the property.
 - (c) whatever **your** loss, in no case will **you** be entitled to recover more than the amount for which the property is insured.

Example: Your property is worth \$20,000. You insure it for \$10,000. You suffer a loss of \$5,000. If your policy is "Subject to Average", the maximum that you may recover will be \$2,500.

Erection All Risks / (DISMANTLING, TRANSIT AND TESTING) INSURANCE POLICY

6. Comply with Directions and Contract

You shall at **your** expense:

- 6.1 comply with all **our** reasonable directions to prevent **loss**, where any deficiency, defect or danger is identified by **us**, and
- 6.2 comply with the **contract** conditions and specifications as they relate to methods, procedures, systems or sequences of work.

7. Multiple Insureds

Where more than one person or entity is insured, **we** shall:

- 7.1 send all notices to the last known address of, or the broker/agent of, and
- 7.2 negotiate all claims settlements with, and
- 7.3 pay all claims proceeds to,
the **first insured**.
