## Firewatch NZ – a brand you can trust.

NZI has partnered with Firewatch NZ for over 20 years, driven by a shared commitment to protecting New Zealand businesses. As a member of the Fire Protection Association (FPA), Firewatch NZ provides certified equipment, expert advice, and nationwide service.

### Their range includes:

- ▶ Fire extinguishers and hose reels
- ▶ Fire blankets
- ▶ Safety signage
- ▶ Fire extinguisher recharging

### They also provide expert installation of products and offer staff training on:

- ▶ Which fire extinguisher to use and when
- ▶ How to operate the extinguishers you have
- ▶ The best techniques for fighting fires

### Why invest in fire protection?

Investing in fire protection equipment and staff training is not just about compliance; it's about safeguarding your employees' lives, your business assets, and your future operations. Using an FPA approved installer, like Firewatch NZ, gives you confidence the equipment is installed to the latest NZ standard, offering peace of mind that you have the right fire prevention tools available and they are clearly signposted.

## Protecting more than just your property.

Having the right fire protection equipment is crucial – but knowing how to use it is just as important. That's why Firewatch NZ are offering a free 30-minute training session once your equipment is installed as part of this offer.

Your team will learn how to:

- ▶ Reduce fire risks
- ▶ Respond quickly and safely
- ▶ Evacuate effectively
